

S.W.E.A.C SHOUT OUT!

The Sudbury Workers Education and Advocacy Centre is a non-profit, community/worker based organization committed to improving the lives and working conditions of people in low-wage and unstable employment.

BIG CHANGES happening this month!

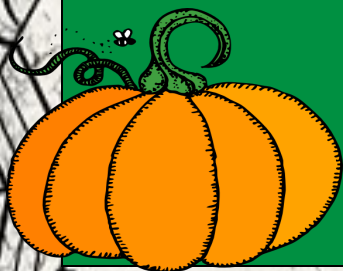

In 2014 many individuals and organizations were successful in getting the government to index the minimum wage to the rate of inflation, which means the Ontario minimum wage is increasing on **Saturday October 1st, 2016**. The following table shows the changes

Type of Wage	Current Wage	Wage <u>beginning</u> October 1st, 2016
General Minimum Wage	\$11.25/ hour	\$11.40/hour
Student Minimum Wage (17 years and younger)	\$10.55/ hour	\$10.70/ hour
Liquor Servers Wage	\$9.80/ hour	\$9.90/ hour

to each wage in our province. It is important to note that even if the inflation rate decreases the minimum wage will **NOT** decrease with it.
